The week-long program under the titled " **Meri Maati Mera Desh**" commenced Yesterday on 09/08/2023 at Government Degree College Langate, marking the celebration of " **Azadi ka Amrit Mahotsav**" - an eventful occasion to commemorate 75 years of India's independence.

On 12th of August GDC Langate organized a special event in honor of **International Youth Day**, focusing on the role of young minds in India's development.

The event included a lecture delivered by **Dr. Barket Hameed**, a prominent figure in the field. **Dr. Hameed's** lecture centered on the contributions of notable personalities who have made a significant impact on society in the present era. During the lecture, **Dr. Barket Hameed** emphasized the transformative power of young minds in shaping the trajectory of India's development.

He highlighted the accomplishments of individuals who have emerged as influential figures in various fields such as technology, entrepreneurship, social activism, and the arts. These individuals were portrayed as role models for the younger generation, demonstrating that age is not a barrier

to making a meaningful impact. **The International Youth Day** event at GDC Langate provided a platform to celebrate the potential of young minds in India and beyond.

In addition to the enlightening lecture by Dr. Barket Hameed, the event featured a quiz competition on the topic of India's independence. This competition brought together a diverse group of individuals, including Dr. Bilal Ahmad Wani, Dr. Tariq Ahmad, Dr. Naseer Ahmad and Mr. Mohammad Yaseen, who were all present at the event. Their participation added further value to the occasion, enriching the experience for everyone involved.

Overall, the International Youth Day event at GDC Langate was a momentous occasion that celebrated the potential, intellect, and aspirations of young minds. It emphasized the importance of nurturing these talents, encouraging them to be active contributors to India's growth, and highlighted the enduring impact that they can have on our society.
